## **The Story of Ledges Hotel and Glass Wine. Bar. Kitchen.**

Ledges Hotel is a unique Pocono Mountains boutique hotel located on Pennsylvania's historic Hawley Silk Mill campus, combining modern style through adaptive design and historical preservation of the O'Connor Glass Factory, which operated at the Ledges Hotel site during the 1890s.

The original building was constructed of hand-cut Pennsylvania bluestone and sits on the edge of a stunning gorge and seasonal waterfall, offering spectacular views from most windows as well as from the hotel's multi-tier decks.

In order to maintain the aesthetic integrity of this National Register-listed building, internationally acclaimed architects Bohlin Cywinski Jackson of Wilkes-Barre, Pennsylvania, were commissioned to convert the building from commercial use to a 20-room boutique hotel whose design incorporates architectural history, natural beauty, and hand-crafted eco-conscious design into every detail.

Ledges Hotel offers the onsite convenience of a full-service lounge and restaurant Glass Wine. Bar. Kitchen. The restaurant specializes in small-plates cuisine, ideal for sharing; while the lounge showcases an all-American wine and beer list with emphasis on American spirits.

In addition to exceptional quality food guests will enjoy stunning views of the river gorge falls in the panoramic dining room and on the decks at Glass. The history of the O'Connor Glass Factory accents the decor of dining room areas with original glass mold prints and displays incorporating the historical features of Ledges Hotel.

In 2013, Ledges Hotel joined its sister hotels, The Settlers Inn, Hawley, Pennsylvania, and The Sayre Mansion, Bethlehem, Pennsylvania in membership in Historic Hotels

of America, the official program of the National Trust for Historic Preservation, for preserving and maintaining its historic integrity, architecture and, ambiance.
